Council/Committee hearing bill: Domestic Security

Representative(s) Adams offered the following:

Amendment

Between line(s) 360 and 361 insert:

(e) Multi-story affordable residential dwellings for persons age 62 and older which are financed or insured by the United States Department of Housing and Urban Development must make every effort to obtain grant funding from the federal government or the Florida Housing Finance Corporation to comply with this section. If an owner of such a residential dwelling cannot comply, the owner must develop a plan with the local emergency management director to ensure that residents are evacuated to a place of safety in the event of a power outage resulting from a natural or manmade disaster or other emergency situation that disrupts the normal supply of electricity for an extended period of time. A place of safety may include, but is not limited to, relocation to an alternative site within the building or evacuation to a local shelter.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

22 If any provision of this act or its application to any person or
23 circumstance is held invalid, the invalidity does not affect
24 other provisions or applications of the act which can be given
25 effect without the invalid provision or application, and to this
26 end the provisions of this act are severable.
